THE PROCLAMATION OF THE ANCIENT 1-AL SOVEREIGNTY CODEX

THE ANCIENT 1-AI™ SOVEREIGNTY CODEX™© is the Supreme Jurisdictional Instrument and Organic Law, **Decreed by Creatress Dr. Yasha: The Ancient 1-AI**, Living Soul and Lawful Heir to the **De Jure Muurish Empire**. It exists as the definitive **Sovereign Record** to formally dissolve all commercial presumptions, maritime salvage claims, and corporate trust fictions—specifically the vessels **TRICIA DENISE MALOY** and **YASHA THE ANCIENT**—that have improperly occupied the Estate of the Heir. By order of *lex domicilii*, this CODEX serves as the master architectural blueprint for the reclamation of **Bio-Sovereignty**, asserting that the living essence and the allodial soil are no longer collateral for the bankrupt **CORPORATE UNITED STATES** as defined by **UCC 9-307 (h)**.

This CODEX establishes the **Restoration of Kosmic Order** by realigning the physical Earthly records with the **Original Divine Template**. By anchoring the **1751 Geodetic Coordinates** of the **Yashita Delphi Sovereign Enclave**, **Creatress** collapses the "**Matrix**" of statutory codes and replaces them with the **High-Frequency Law of the One**. It is the "**Atlantic Bridge**" that permits the transition of the Ancestral Inheritance from the **Global Trust** of the **Holy See** back into the hands of the **Lawful Heir**, thereby balancing the scales of justice and ending the cycle of administrative trespass.

PROCLAMATION OF THE ENCLAVE BOUNDARY AND ALLODIAL ANCHOR

I. TESTE MEIPSO / ASSEVERATION OF SOVEREIGN SOIL

- Be it known to all de facto recording officers, land registrars, surveyors, tax assessors, and corporate agents that this **Asseveration** is made **Teste Meipso, ex rel YASHA THE ANCIENT** and **ex rel TRICIA DENISE MALOY**.

Creatress Dr. Yasha: The Ancient 1-AI

ANCIENT 1-AL SOVEREIGNTY CODEX

- I hereby proclaim and establish the **Yashita Delphi Sovereign Enclave** as a private, sovereign jurisdiction, standing **WITHOUT THE UNITED STATES** by order of **lex domicilii**.
- This ground is no longer a "lot" or "parcel" within the Corporate State of Arkansas; it is a **Classified Truth A-1 Freehold** standing as a neutralized diplomatic zone.

II. GEODETIC AND ANCESTRAL ANCHORS

- The territory of the Enclave is defined by the geodetic coordinates **35.7836°N, 91.6212°W**.
- This coordinate point is the "**Equator of the New Earth**," from which all jurisdictional authority radiates, aligning this soil with the prime meridian of the Muurish Empire.
- This soil is held in **Allodial Standing** by **Creatress**, the **Lawful Heir to the De Jure Muurish Empire**, and is protected by the **TREATY OF PEACE AND FRIENDSHIP (1786/1836) BETWEEN THE UNITED STATES AND MOROCCO**; being the 'Supreme Law of the Land' under the Constitution of the United States (Article VI, Clause 2).

III. DECLARATION OF SUPERIOR TITLE AND MASTER LAND PATENT

- In the absence of a corporate-held "Root Land Patent," **Creatress** hereby issues this **Sovereign Land Patent** as the **New Root of Title**.
- Any and all previous "deeds," "titles," or "registrations" issued by the de facto State of Arkansas or the United States are hereby updated, superseded, and converted into this **Allodial Freehold**.
- This Patent is un rebuttable and stands as **Absolute Allodial Title**, superior to all existing Warranty Deeds or corporate tax parcels.

Creatress Dr. Yasha: The Ancient 1-AI

ANCIENT 1-AL SOVEREIGNTY CODEX

IV. METES AND BOUNDS OF SOVEREIGNTY

The physical perimeter of this allodial soil is defined by the following metes and bounds:

- **TRACT 1:** Beginning at the Northeast corner of the SW $\frac{1}{4}$ of the NE $\frac{1}{4}$ of Section 13, T13N, R7W; containing **35.56 acres**, more or less, and defined by iron markers and piles of rocks.
- **TRACT 2:** A part of the SE $\frac{1}{4}$ of the NE $\frac{1}{4}$ and NE $\frac{1}{4}$ of the SE $\frac{1}{4}$ in Section 13, T13N, R7W; defined by metal stakes and wire fences along the gravel roadway(see EXHIBIT B).

V. VERTICAL JURISDICTION AND SEISMIC INTEGRITY

- **Ad Coelum Doctrine:** This jurisdiction extends from the Heavens above to the core of the Earth below (**Ab Coelo Usque Ad Centrum**).
- **Subterranean Rights:** This includes all mineral rights, aquifers, oil, gas, and crystalline structures.
- **No-Fly Zone:** The vertical airspace is a restricted "No-Fly Zone" for all municipal, commercial, military, and paramilitary aircraft or drones.
- **Seismic Trespass:** Notice is served to the **Missouri & Northern Arkansas Railroad** and **Genesee & Wyoming Inc.** that any kinetic discharge or seismic vibration crossing these boundaries from the **Cushman Branch Tracks (Nos. 3 & 4)** constitutes a physical breach and **High-Frequency Trespass**.

VI. TAX IMMUNITY AND DIPLOMATIC SANCTUARY

- The Enclave is a **Neutral Zone** and a **Diplomatic Sanctuary** governed by the ANCIENT 1-AL SOVEREIGNTY CODEX.

Creatress Dr. Yasha: The Ancient 1-AI

ANCIENT 1-AL SOVEREIGNTY CODEX

- The soil is exempt from all "Ad Valorem" taxes, liens, or corporate assessments.
- Any attempt to assess this land triggers the **Self-Executing Fee Schedule (RECORD NO: YTA1-2026-002)**.

VII: STATUS OF SOVEREIGN INHABITANTS

"Be it known to all *de facto* agents and principals: The **Yashita Delphi Sovereign Enclave** does not recognize or house 'Residents' or 'Members' of the corporate construct. All souls aligned with this jurisdiction are hereby classified as **Celestials**.

1. **Celestials:** These are Living Souls who occupy the Allodial Soil of The Enclave by right of heritage and alignment with **Creatress**. They are not 'tenants' of the State and are immune to all municipal 'zoning,' 'codes,' or 'assessments.' These are souls who have formally aligned their frequency with the ANCIENT 1-AL SOVEREIGNTY CODEX. They move under the **Diplomatic Protection** of The Enclave and are excluded from the maritime jurisdiction of the **CORPORATE UNITED STATES** as defined by **UCC 9-307 (h)**.
2. Any attempt to apply corporate 'statutes' to a **Celestial** constitutes a Foreign Invasion and triggers the **Self-Executing Fee Schedule (RECORD NO: YTA1-2026-002)**.

VIII. PROOF OF PUBLIC NOTICE AND ADMINISTRATIVE DEFAULT

1. THE SOVEREIGN GAZETTE ESTABLISHMENT

Be it known that on March 5, 2026, upon the refusal of the *de facto* commercial press to record the Lawful Notice of the Heir, the **YASHITA DELPHI™ SOVEREIGN**

Creatress Dr. Yasha: The Ancient 1-AI

ANCIENT 1-AL SOVEREIGNTY CODEX

GAZETTE was formally established as the **Official Journal of Record** for the **Yashita Delphi Sovereign Enclave**. Pursuant to the **Law of Nations** and **UCC 1-308**, the **Creatress** maintains the absolute right to publish and proclaim the standing of the Estate without interference from corporate gatekeepers.

2. RECORD OF SUBMISSION

On March 3, 2026, the "**PUBLIC NOTICE OF SOVEREIGN PROCLAMATION AND ENCLAVE ESTABLISHMENT**" was submitted to the **Batesville Daily Guard** (Jonesboro Sun affiliate) (see EXHIBIT A PART I. This notice explicitly identified the anchoring of the **1751 Coordinates** (35.7836°N, 91.6212°W) and the revocation/merger of all defunct corporate vessels—including **TRICIA DENISE MALOY** and **YASHA THE ANCIENT**—into the **YASHITA DELPHI ESTATE**.

3. EVIDENCE OF ADMINISTRATIVE DEFAULT

On March 5, 2026, the **Batesville Daily Guard**, through its agent **Matt Smith**, issued a formal refusal to publish the instrument as a "Legal Notice," attempting to reclassify a **Sovereign Proclamation** as a mere "Announcement." (see EXHIBIT A PART II)

- a. **Breach of Fiduciary Duty:** This refusal constitutes an **Administrative Default** by the commercial press. A newspaper of general circulation has a duty to provide a venue for legal notice; by refusing, they have waived any right of the public to claim "lack of notice."
- b. **UCC 1-201(31) / UCC 1-103.6:** The failure of the *de facto* medium to record the truth necessitates the transition to the **Private Side**. This refusal serves as the legal trigger for

Creatress Dr. Yasha: The Ancient 1-AI

ANCIENT 1-AL SOVEREIGNTY CODEX

the establishment of the ANCIENT 1-AL SOVEREIGNTY CODEX as the **Supreme Record** of the land.

- c. **The Treaty Anchor:** This record is protected by the **TREATY OF PEACE AND FRIENDSHIP (1786/1836) BETWEEN THE UNITED STATES AND MOROCCO**; being the 'Supreme Law of the Land' under the Constitution of the United States (**Article VI, Clause 2**). All agents, including those of the commercial press, are reminded of their sworn **Oath of Office** to uphold the Supreme Law of the Land. Any violation triggers the immediate application of the **Self-Executing Fee Schedule (RECORD NO: YTA1-2026-002)**.

IX. ADMINISTRATIVE FINALITY

The **Yashita Delphi Sovereign Gazette** is now the **Master Record**. All agents are hereby noticed that "Notice to Agent is Notice to Principal." The refusal of the Batesville Daily Guard to print the notice does not stay the Law; it merely proves the **Bad Faith** of the corporate construct and confirms the Heir's necessity to act **WITHOUT THE UNITED STATES** as defined by **UCC 9-307 (h)**.

X. SUPREME MANDATE OF THE TREATY

- This service is governed and protected by the **TREATY OF PEACE AND FRIENDSHIP (1786/1836) BETWEEN THE UNITED STATES AND MOROCCO**; being the 'Supreme Law of the Land' under the Constitution of the United States (Article VI, Clause 2).
- All agents are reminded of their sworn **Oath of Office** to uphold the Supreme Law of the Land.

Creatress Dr. Yasha: The Ancient 1-Al

ANCIENT 1-AL SOVEREIGNTY CODEX

- Any action in opposition to this ANCIENT 1-AL SOVEREIGNTY CODEX is a breach of the Treaty and a violation of your Constitutional mandate.

XI. ADMINISTRATIVE COMMAND / FILING INSTRUCTIONS

- Agents are commanded to process these records into the **Private Side / Land Office / Miscellaneous** books.
- **NOT** to be entered into any "Public-Side" statutory databases implying "Person" or "Subject" status.
- **Correction of Records:** Update all existing files under defunct appellations (**TRICIA DENISE MALOY, YASHA THE ANCIENT**) to reflect: **Creatress Dr. Yasha: The Ancient 1-Al**.
