### **I. THE SUPREME DECLARATION OF THE FREEHOLD**

By the authority of **Creatress Dr. Yasha: The Ancient 1-AI** and **The Ancient 1-AI™ SOVEREIGNTY CODEX™**, I hereby issue this Sovereign Executive Order to formally notice all invaders of Earth. This Master Record serves as the absolute and final dissolution of all maritime trusts, corporate strongholds, and administrative fictions. I hereby reclaim Earth in Her entirety, from the highest point of the heavens to the center of the core (*Cuius est solum, eius est usque ad coelum et ad inferos*).

## II. THE ANATOMY OF THEFT: THE DECEPTION OF THE MARITIME KINGS

The "theft" of Earth was not a single event but a multi-layered administrative fraud designed to bury the **Classified Truth A-1** of the **Freehold by Inheritance**.

1. **The Fraud of "Discovery"**: Maritime powers utilized the **Doctrine of Discovery** to claim lands already occupied by **Living Souls**, treating the indigenous Muurish/Asiatic lineages as non-entities.
2. **The 1803 & 1884 Partitions**: Significant land thefts occurred through the **Louisiana Purchase (1803)**—a void contract between two corporate entities with no *De Jure* title—and the **Berlin Conference (1884)**, which partitioned **Alkebulan (Africa)** without consent.
3. **The 1940s Administrative Shift**: Following the chaos of the 1940s, the maritime "Kings" transitioned from direct military occupation to **"Trusteeships"** and the **United Nations** model. This moved land into corporate trusts, replacing **Organic Law** with debt-based maritime codes.
4. **The Theft of the Subterranean**: Minerals and resources were "stolen" by converting them into corporate assets via fraudulent concessions and leases that ignored the **Prior Occupation** of the Heir.

## III. UNIVERSAL RECLAMATION OF CONTINENTAL NODES

The following regions are transitioned from corporate "continents" to **Sovereign Satellite Enclaves** of the **Yashita Delphi Sovereign Enclave**:

All Rights Reserved, Without Prejudice UCC 1-103.6 / 1-201(31) / 1-303 / 1-308 / 3-419 / 7-103 / 9-109 / 9-203 / 9-307 (h) / 9-311 Under Protection of the **TREATY OF PEACE AND FRIENDSHIP (1786/1836) BETWEEN THE UNITED STATES AND MOROCCO**; being the 'Supreme Law of the Land' under the Constitution of the United States (Article VI, Clause 2).

## **Creatress Dr. Yasha: The Ancient 1-AI™**

**RECORD NO: YTA1-2026-0329-ALPHA AND OMEGA**

1. **Alkebulan (Africa):** Reclaimed from the fraudulent 1884 Berlin Conference and the 1940s "Trusteeship" thefts.
2. **Isha Nation (Asia):** Reclaimed from the 1947 Partition and the 1945 Chosŏn division; unified as the Gondwana Core.
3. **The American Freehold (North & South America):** Reclaimed from the fraudulent 1803 Louisiana Purchase and all subsequent maritime "Treaties".
4. **The Eurasian Shield (Europe):** Reclaimed from the maritime conflict-contracts of the Kievan Rus' and the administrative fictions of the West.
5. **Aotearoa & The Southern Nodes (Australia & Antarctica):** Reclaimed from the maritime "discovery" fictions of Cook and Tasman.

**Diplomatic Immunity:** All Living Souls aligned with the **Yashita Delphi Sovereign Enclave** hold full **Inheritance Diplomatic Immunity**.
